Limousin Enthusiasts:

Here's hoping this letter finds everyone doing well, despite of all the rain some of us are getting. If you aren't getting your fair share, just ask one of your friends and I'm sure they would be glad to share with you.

I want to take this time to invite you to the 2018 Florida Limousin Junior Field Day. The date this year is scheduled for Saturday September 22nd. We will be holding the event this year at the Sumter County Fairgrounds in Bushnell, Florida. The address is 7620 State Road 471, Bushnell, FL 33513.

This year we plan to have a silent auction to help raise money for the Field Day. If you would like to donate anything or ask a local business to donate anything to add to the auction we welcome any donations. We will also be having a semen sale at the Field Day. We are planning to have 4-5 bulls donated to us. We will be updating all the auction items that will be available on our Facebook page as we get conformation on the items and bulls. If you have not liked our Facebook page please go search for it and like it and share it with anyone you know that might be interested in the Limousin breed.

I have included in this mailing an entry form for the Field Day, a membership form, if you are not already a current paid member, a short list of rules for this years Field Day, and a tentative schedule of the days events.

If you have any questions feel free to contact Jason Hutchins, Chad Worley or myself. We are here to help you guys in any way we can.

See you in September,

Wade R. Rogers
