FFA AND 4-H LIVESTOCK JUDGING CONTESTS

Open to FFA and 4-H teams in Jackson and neighboring counties under the supervision of their chapter advisor or extension agent. In addition to placing the classes of animals, students may answer a set of 5 questions on 2 of the classes (worth 50 points per set). Questions will be posted near the class.

FFA and 4-H will judge the same animals, but will not compete against each other. Eligibility of individual members will be left entirely to the chapter advisor or 4-H Agent. There will be separate 4-H junior, intermediate and senior divisions for teams and individuals. FFA will have a Junior Chapter Division and a Senior Chapter Division.

Registration for judging teams will be from 8:30 AM to 9:00 AM the day of the Contest. County agents and Agricultural Education Teachers will be responsible for seeing that their teams are properly registered.

Judging will begin at or before 9:30 AM the day of the Contest. Ten minutes will be allowed to judge each class and two minutes to rotate from class to class.
