

Winter Classic on the Coast

SELFIE PHOTO CONTEST RULES AND ENTRY FORM

The Winter Classic on the Coast is adding something fun to the lineup. A Selfie Photo Contest! Everyone loves to see the professional set up photographs of your animal (myself included) but let's see those selfie style photos with your goat! This allows everyone the opportunity to participate and you don't need a fancy camera to enter your photo! Can't wait to see your selfie!

RULES: The rules will be simple. One (1) selfie photo is to be submitted per person. The selfie must be of you and your goat (does not have to be the goat you are entered to show and you do not have to have a goat entered in the show to participate on the contest). The photo can be silly, serious, funny, etc. as long as it is a selfie style photo with you and your goat in the photo. There will be one (1) division and all ages are welcome to participate. Photos can be emailed (adurham104@yahoo.com) or messaged to the Winter Classic on the Coast Facebook page by the deadline stated below. The photos will be judged by an unbiased person in the photography industry. The contest will be placed from 1st place to 3rd place. At least ten (10) entries (one per person) must be entered to form the contest.

DEADLINE: The deadline to enter your photo is **December 21, 2018** (same as your show entry form). Judging will take place prior to the show and the winner will be announced at the show. This form can be mailed in together with your show entry form, including the contest fee, or can be mailed in separately.

FEE: **\$5.00** entry fee enclosed with this entry form.
